“WOW!!! Amazing Real Estate Agent!

Derek was very patient with all of our questions as new homebuyers. Derek was able to recommend a mortgage broker and get us financed and put us in touch with lawyers and home inspector. Derek really helped make this move seamless. We would definitely recommend Derek and use his services if we are ever in the market again.”

“Truly a great experience buying our first home. Our realtor Derek went above and beyond our expectations. Derek always made us feel like we were his top priority, was quick to respond to emails, and clearly brought a wealth of knowledge to the process.
